

**City of Camarillo's
Instant Hot Water Recirculating System Program
Terms & Conditions and Hold Harmless Agreement**

I give permission to WaterWise Consulting, Inc. (WaterWise) representatives to enter my property to perform an inspection for eligibility for a instant hot water recirculating system. I acknowledge that the inspection is voluntary and a requirement for participation in the program. After completion of the inspection, I may decide to accept the device if it is offered to me. If I chose to accept the water savings device, I acknowledge that I will have 60 days to install the device and provide photographic proof of the installation to WaterWise Consulting. I acknowledge that if I do not either install and submit proof of installation or return the device within 60 days, I will be subject to a \$250 fee on my water bill.

In exchange for the anticipated benefit from participation in the program, I hereby agree to give trained inspectors from WaterWise, on behalf of the City of Camarillo ("Camarillo") permission to enter my property for the purpose of conducting the inspection. I understand that the Watts Instant Hot Water Recirculating System selected by Camarillo for this program only functions with compatible conventional hot water heaters that do not have heat traps. I hereby agree to fully cooperate with the inspector.

I agree to defend, indemnify and hold harmless Camarillo and WaterWise and their respective subcontractors, directors, officer, officials, employees, consultants and agents, from any and all claims, damage, or liability resulting from participation in the Program, including but not limited to any loss or liability arising out of installing any of the water saving devices or the use thereof including the Watts Instant Hot Water Recirculating System.

The goal of the Program is to provide the Watts Instant Hot Water Recirculating Systems for customers to install, either themselves or with outside help. Not all customers will qualify for the device that is provided in this Program Actual water savings will vary depending on numerous variables in the home plumbing and individual usage. WaterWise is a fully licensed Corporation, bonded C-27 Landscape Contractor (#975874) licensed by the State of California. For device warranties, please contact the manufacturer listed below:
